

REMARKS

Claims 1-17, 24-30, 32-33, 40-46 were previously canceled. Applicants have added new claims 47-51 which are apparatus claims corresponding to allowed Claims 18-19 and 21-23, respectively. No new matter has been added. Support for the amendment can be found throughout the specification and figures.

Further, Applicants submit a Terminal Disclaimer to overcome the obviousness-type double patenting rejection included in the Office Action of 12/26/08.

REQUEST FOR ALLOWANCE

In view of the foregoing, Applicant submits that all pending claims in the application are patentable. Accordingly, reconsideration and allowance of this application are earnestly solicited. Please charge Deposit Account No. 17-0026 for the Terminal Disclaimer fee. Applicant does not believe any fees are due regarding this amendment. If any fees are required, however, please charge Deposit Account No. 17-0026. Applicant encourages the Examiner to telephone the Applicant's attorney should any issues remain.

Respectfully submitted,

Dated: March 15, 2010
